

WE'VE GOT WHAT YOU'RE LOOKING FOR!

Searching for a group of people who enjoy a good party? Want to cruise with the knowledgeable boaters where a helping hand is always nearby? The Sassafras River Yacht Club could be just the answer to your wishes for relaxed, unpretentious pleasure.

The modest \$125 yearly dues (there is no initiation fee) provides members with a wealth of benefits:

- A handsome burgee to fly from your boat with the first year membership
- Payment of dues by January each year, entitles Captains and their Mate to reduced price tickets to the annual Snowflake Luncheon. This is usually held in February or March and is a great way to stay in touch with friends over the winter.
- Depending on market prices, Captains and Mates can attend the yearly Crab feast without charge or at a greatly reduced cost. This event is held at convenient cruise locations along the Chesapeake and makes for a nice weekend cruise.
- Opening Day festivities are free for Captains and Mates.
- The opportunity to choose the cruises of interest to you from the eight to ten trips planned yearly by the club.
- Your membership card will provide access to the facilities of sister yacht clubs, in both the U.S. and overseas.
- BOAT/US membership can be purchased at reduced price.

So if you treasure your days on the water and value the company of fun loving fellow boaters, your new friends at the Sassafras River Yacht Club are looking forward to your arrival.

For membership information contact our Secretary at secretary@sasryc.org or ask any member displaying the SRYC burgee.
