

SASSAFRAS RIVER YACHT CLUB

WE'VE GOT WHAT YOU'RE LOOKING FOR!!

Searching for a group of people who enjoy a good party? Want to cruise with the knowledgeable boaters where a helping hand is always nearby? The SassafRAS River Yacht Club could be just the answer to your wishes for relaxed, unpretentious pleasure.

First time new members to the SRYC pay only \$50 to join for the first year. This provides members with a wealth of benefits:

A handsome burgee to fly from your boat with the first year membership;

Payment of dues by January each year, entitles Captain and the First Mate to reduced price tickets to the annual Snowflake Luncheon. This is usually held in March and is a great way to stay in touch with friends over the winter;

Both Captain and First Mate can attend the annual club Crab Feast (usually held in August) at the rate of \$75 (for both). This event is held at a marina on the SassafRAS River and is lots of fun;

Opening Day festivities are free for Captains and First Mates;

The opportunity to choose the cruises of interest to you from the four to six trips planned yearly by the club;

Your membership card will provide access to the facilities of sister yacht clubs, in both the U.S. and overseas; and

BOAT/US membership can be purchased at reduced price.

So if you treasure your days on the water and value the company of fun loving fellow boaters, your new friends at the SassafRAS River Yacht Club are looking forward to your arrival.

For membership information contact our Secretary at secretary@sasryc.org or (302) 593-5334 or ask any member displaying the SRYC burgee.
